## IMPORTANT NOTICE TO THE CONSUMER

The relevant plumbing work that was certified through the issuing of this Certificate of Compliance may possibly be audited by a PIRB Plumbing Auditor for compliance to the plumbing regulations, workmanship and health and safety of the plumbing works. If the relevant plumbing works have been chosen for an audit we request that you cooperate fully with the PIRB Auditor in allowing them to carry out the relevant audit. You should retain your copy of the PIRB Plumbing Certificate of Compliance as evidence.

The issued certificate of compliance serves as a notice that any part indicated in the non-compliance section of the certificate is non-compliant with respect to the National Compulsory Standards and Local Bylaws. The owner is legally responsible to act on or rectify the non-compliance, and the certificate further serves as an indemnity for the licensed plumber for the said non-compliance.
